Technology Transfer Workshop
IEA SHC Task 55
“Towards the Integration of Large SHC Systems into DHC Networks”

Agenda 15th of October 2020
UTC/GMT +1 hour
Meeting Software: Zoom - Participation link will be sent out some days before the meeting

| 09.00 a.m. - 09.10 a.m.   | Opening Words                                                          | Sabine Mitter  
Federal Ministry of Austria - Climate Action Environment, Energy, Mobility, Innovation and Technology |
| 09.10 a.m. - 09.30 a.m.   | IEA SHC TASK 55 Overview and Impact                                      | Operating Agent  
Sabine Putz  
SOLID                                           |
| 09.30 a.m. - 09.50 a.m.   | Keynote Speech: Control of large-scale solar thermal systems          | Markus Gölles  
BEST                                                      |
| 09.50 a.m. - 11.00 p.m.   | Subtask A Overview: Measures and enablers for integrating significant shares of solar thermal energy into urban district heating networks | Ralf-Roman Schmidt  
AIT                                                        |
| 11.00 p.m. - 11.30 p.m.   | Evolution of the Austrian district heating and the role of solar thermal: scenarios for 2030 | Hamid Aghaie  
AIT                                                      |
| 11.00 p.m. - 11.30 p.m.   | Subtask B Results/Technology Overview                                   | Jia Chenhui  
SOLAREAST                                                  |
### 11.30 p.m. - 01.30 p.m.
**SDH in Tibet: From first idea to implementation**
- **Subtask C Results/Technology Overview**
  - Jiao Qingtai
  - SUNRAIN
- **Validation of TRNSYS model for water pit heat storages**
  - Jianhua Fan
  - DTU
- **Subtask D Results/Technology Overview**
  - Magdalena Berberich
  - SOLITES
- **Solar Heat for Cities - the sustainable solution for district heating**
  - Magdalena Berberich
  - SOLITES
- **Large-scale solar thermal systems in leading countries: A review and comparative study of Denmark, China, Germany and Austria**
  - Magdalena Berberich, SOLITES
  - Daniel Tschopp, AEE INTEC

### 01.30 p.m. - 01.50 p.m.
**Concept Follow up Task (Task 55 successor)**
- Viktor Unterberger
- BEST

### 01.50 p.m. - 02.00 p.m.
**Closing remarks**
- Sabine Putz
- Operating Agent
- SOLID

### 2.00 p.m.
**End of Workshop**
